“Don’t Be Complacent”

The pandemic of COVID-19 has driven us all crazy in one sense or another. I hope everyone is doing their part in staying safe. Sometimes when dealing with one situation, we tend to forget about other things that are important. According to the Houston Police Chief, crime is up 30%. We all need to do our part and we all want to protect what is ours. It should be common practice to secure your aircraft, by locking doors and baggage compartment. I also would recommend to store your headset or anything else of value out of sight. I have also observed “keys” left inside of aircraft and even in the ignition. I then wonder if you leave the keys in your car when you park it—probably not! And why don’t you? Easy answer—you did not want someone to steal it. Need I say anymore? Remember, criminals don’t take a day off, they look for an easy score.
