# RUNWAY 15

Save An Airport  
Quick Flying  
is good business!

# WEST HOUSTON AIRPORT

## ADS-B

By January 1, 2020, you must be equipped with ADS-B Out to fly in [most controlled airspace](#).

Federal Regulations 14 CFR 91.225 and 14CFR 91.227 contain the details. Contact General Avionics for more information.

ADS-B Out is Mandated; ADS-B In is Not. You must operate your ADS-B Out transmitter at all times.

Portable ADS-B Out Units Are Not an Option.

You may not have to buy a new GPS source suitable for ADS-B.

Ensure your ADS-B Equipment and GPS are an approved pairing.

The ADS-B Out Mandate applies to foreign operators.

The Airspace you fly reveals the type of equipment you need.
