**RUNWAY 15**

Save An Airport  
Quick Flying  
is good business!

**WEST HOUSTON AIRPORT**

# In Memory of **JEFFREY C. WEISS**

Jeffrey C. Weiss, age 65, of Houston, Texas, passed away on Monday, the 22nd of April 2019, in Kerrville, Texas.

Friends are cordially invited to a visitation with the family from six o'clock until eight o'clock in the evening on Friday, the 3rd of May, in the Jasek Chapel and the Parlor of Geo. H. Lewis & Sons, 1010 Bering Drive in Houston.

The funeral service is to be conducted at nine o'clock in the morning on Saturday, the 4th of May, in the Jasek Chapel of Geo. H. Lewis & Sons in Houston, where The Rev. Stuart Bates is to officiate.

Immediately following, all are invited to greet the family during a reception to be held in the adjacent grand foyer.

The family requests memorial contributions to be directed in Jeff's name to Angel Flight South Central, P.O. Box 763760, Dallas, TX 75376, ([www.angelflightsc.org](http://www.angelflightsc.org)) or Challenge Air, 8001 Lemmon Ave., Suite 280, Dallas, TX 75209, ([www.challengeair.com](http://www.challengeair.com)).

He began his general aviation career in 1977 and devoted his life to pursue his passion for aviation. Jeff held the Airport Transport Pilot (ATP) certificate, the highest level of aircraft pilot certification. With over 5,600 flight hours logged, Jeff earned several different pilot ratings, including instrument, multi-engine airplane and single-engine seaplane. He also held several endorsements, including tailwheel, high performance, high altitude and complex aircraft.

Jeff Weiss was an icon here at West Houston Airport. He was an humble man who believed in aviation and relentlessly volunteered to help others no matter the cost or situation. He did not talk about giving, he lived it. **JEFFREY WEISS YOU WILL BE GREATLY MISSED!**

### Aviation Acronym: AFM & POH

Aircraft Flight Manual (AFM) and Pilots Operating Handbook (POH). The AFM was the airplane manufactures operating guidelines for the particular model. The POH replaced the AFM in 1976. It is the FAA required operating instructions and guidelines required to be in the airplane during all flights.

### PREFLIGHT Breakfast
