We had the honor of delivering a beautiful Cessna 182 Skylane to one of the finest pilots in U.S. history Captain Clay "Learjet" Lacy purchased the plane from us and CJ Moss our CFI delivered it to California for Captain Lacy. I can't say enough about Captain Lacy except that he has flown every make and model aircraft flying including but not limited to Gulfstreams, Boeing, Douglas, Lears, Citations, Falcons, Challengers, and much more! Now in his 90's Captain Lacy is a humble man with a great memory. He is an accomplished Pilot of many years and has many hours both Military and Civilian.

Thank you Captain Clay Lacy for giving me a call and the wonderful conversation and your trust in our business. I am honored to have met you.
